Please give a brief overview of the programme structure and ethos (500 words max)	

Please give an indication when you think you might be ready to submit your documentation and when you would prefer to host a virtual visit. The paperwork must be submitted at least 4 weeks before the visit. The committee will decide the visit dates in discussion with the host institution but these are unlikely to take place before 1st September 2021. We will host our first accreditation panel at the end of 2021 and all outcomes will be embargoed until all institutions in the first round of accreditations are processed through this panel.

There will be a second round of accreditation in 2022.
